

Dear BVA'ers,

As announced previously we would like to **kick-off the season** all together on **Saturday 11th of September!** The preliminary program is now available and luckily the current corona measures allow the seasonopening to take place. We will start at 10.00 and end the day with a practice game of H1, after which the real closing activity will of course be at Dirk.

Few point of attention:

- The **practice of U10** planned on the 11th of September 12.00 **will fall due**;
- We are still looking for some extra **help for the all-round activity for the U8-U12 + parents**. Please reply to this email in case you are interested;
- The **teamschedule** for the **mixtournaments** will be provided via email and website in the beginning of the week prior to the seasonopening (week of 6th of September). **Parents** can join the mixtournament for U14 & U16 (both boys and girls). Please **sign up** for the mixtournament (for parents only) via a reply to this email **before Sunday 5th of September**. Please also indicate the name of your child / player and the corresponding team (U14 or U16);
- The presentation of the **new BVA vision** is important to all members, but especially for the senior teams; from next season onward this vision will have an impact on the transition of youth players to senior teams as well as on the selection of players for senior teams. We encourage everyone to be there, but expect **at least 1 person from each team** to be present.

We are looking forward to it!

Regards,  
on behalf of the board,  
Emma Kruijswijk

### Programma seizoenopening BVA - zaterdag 11 september

| Tijd          | Activiteit                          | Locatie                 |
